OST5319C200 Safety Melt– An economical nitrogen based crystalline product which acts very fast to melt ice over a broad temperature range. It is a dustless product that leaves a minimum of messy residue. Use on sidewalks, walkways, streets, bridges, etc. Sprinkle lightly and evenly over surface of snow or ice. Sprinkle on traffic areas before heavy snowfall or freezing temperatures to prevent hard ice from forming. This product can be used to provide traction for automobiles. Carry a supply in the car and sprinkle under the tires to provide better traction. (20kg bag)

Made in Canada – Bi-Metal \$22.83/bag

OST1314 Cooling Lubricant (white) – This cooling lubricant is non-hazardous and water-soluble. It has a high cooling capability and is ideal for use in milling, turning, general grinding, form grinding, broaching and cut-off saw applications. Cooling Lubricant is non-corrosive, non-rancid and odorless. 20L pail – Also available in 4L jugs

Made in Canada – Bi-Metal \$89.87/20L

OST1318 Synthetic Cooling Lubricant (tan) – Is a water soluble, fully synthetic cooling lubricant that has no mineral oils and is used in cutting, grinding, milling, turning and broaching applications. This low-foaming synthetic cooling lubricant and cutting oil will provide lubricity and cooling thereby extending the life of the cutting tool. 20L pail – Also available in 4L jugs

Made in Canada – Bi-Metal \$196.58/20L

Fabricators Consumables & Equipment

OSTI305 Citro Power Degreaser – This is a water based, natural, powerful citrus, solvent degreaser-emulsifier-deodorizer designed for a multitude of industrial and food plant applications. It is non-corrosive and contains no harmful chlorinated solvents, petroleum distillates, acids or alkali. It is *environmentally safe and fully biodegradable*. *This organic* formulation offers a new approach in one step degreasing and deodorizing. It will remove oil and grease from most surfaces while leaving a fresh, natural citrus scent.

Made in Canada – Bi-Metal \$24.99/4L

OSTI309 AB-50 Degreaser– Is a completely water soluble product for exceptional degreasing and cleaning of a wide variety of surfaces. It requires no solvent and is non-flammable. It rinses well and leaves no film or offensive odours. It is ideally suited for degreasing and cleaning of engines, "off road" equipment, concrete floors and white-wall tires. It may be applied by pressure washer, steam cleaner or by brush.

Made in Canada – Bi-Metal \$21.74/4L
